Bill Providing for Postal Savings

In England there is about \$12,000,000 on deposit in the postal banks, to called, and one person in every ciril in the kingdom is a depositor. The shores the popularity of the plan. However, the popularity of the plan. However, the postal savings bank of France, non-12, \$0,000, on the Nathorlands, and went the little Hawadish kingdom has proposed the session with the result that some 2,000 years have a walled them sives of it demosition about \$1,000,000.

There exists to be an excess of four of disturbing existing relations between sovers and their depositaries, and for that remon it is not beyond a peraleoning that Temperature Caldwell's bill will be taken up at once and acted upon becombly in time to admit of its passage at this ression. It remains for the small sovers to make known their wishes and give support to those who incline to the adoption of the savings against that has been already successful everywhere that it is in vogue.

AGAINST IT.

Ocala, Pla. Duc. 5.—At the after-mon section of the Farmers' Alliance Wednesday, Delogate W. S. McAllister,

States, in his annual necessive to congress

percentation to the election machinary of the l'pion, both state and National, and its passage will be fatal to the autonomy of the states and cherished liberiles of the

and will be partised in its application, thus revisulizing the gory ghost of sectional estrangement and, Wheneas, in the hoty war which we have declared against sectionalism, the finesides of the farmers of the mersh, east, south and west are the sitsdels around which the losaviest battles are being fought; and to the end that victory may

presuntitee and resolutions be forwarded to ach senator in congress.

Aside from the election hill resolution

estered to perfect health it pase denomicing the Louisiana lottery as a blow at American civilization and prorals, and providing for the introduction in congress of a resolution calling for the submission to the people of America of an amendment to the National constitution prohibiting the operation of lotteries in any of the states. The resolution called out no apposition, and was adopted manimously.

A special committee was appointed to select men of National requiation to deliver addresses every morning and afternoon. Next Saturday has been designated as "labor day," and T. V. Powderly will speak.

Glimpso of a third parly movement appeared at the Alliance convention thursday. It is chiefly agitated by the Cansas delegation.

Gen. John H. Rice, candidate for the

to be issued to the l'urmers' Alliance and all industrial unions of America which layer the principals of the St. Louis platform, to meet in 'convention in Cin-cionati on Feb. 23 next, to consider tire third party, or people's party move-ment.

ment.

The name of this new party will be the National Union party of America. This call is not to be expected to be issued before the close of the Ceala convention. The effort seems to be to keep the National Farmers' Alliance from inaugurating the new party and yet to make it the main basis of this new National matter.

DESPERADO KUHN CAPTURED

WAYNE, Dec. 8 .- Marvin nhus the murderer of William Campan, at Festoria, left the city at noon Saturday for his father's home, near Cherulneca, eighteen miles west of this city. When he errived there, instead

A lattle resulted in which Rulius was shot hear times, Mease once, and Odlecer Kusmelly once. Kuhns and Mease were brought to this city and landed in jail. Kuhns will probably de, Misse, with his wounded leg, occupies the same cell with Kuhns. There is a reward of \$1,000 offered for the capture of Kuhns by the authorities at Fosteria, which will be claimed by the two officers who made the cupture. Fosteria, which will be claimed by the two officers who made the cupture.

LATEN—It is now thought that Officer Kennelly, who was shot by Messo, Saturday, at Chernitason, will recover, while Marvin Kulms, the desponde who recoved four builtets in his back, is in a critical condition at the juli.

Mease has a hullet through his thigh, but is meting over and in the said.
